Re: Oriental Relax Massage LLC – Revoked License

The Louisiana Board of Massage Therapy (Board) is charged with licensing and regulating those persons who engage in the practice of Massage Therapy. The regulations are found in Louisiana Massage Therapists and Massage Establishments Act, La R.S. 37: Chapter 57.

The notice is to inform you that the licenses for Oriental Relax Massage E3553 (Hammond, LA) and E385 (Baton Rouge) have been revoked by the Louisiana Board of Massage Therapy. You are listed as an owner and working at both locations of Oriental Relax Massage, and therefore ordered to cease working at these locations.

Please remove your license immediately from E3385 and E3553 and return to the Board office within ten (10) business days.

### **Title 46 - PROFESSIONAL AND OCCUPATIONAL STANDARDS - Part XLIV. Massage Therapists**

#### **§3558. Massage establishments**

A. Massage establishments shall be required to be licensed as follows:

- (1) Each person engaging in the practice of massage therapy at a massage establishment shall be the holder of a Licensed Massage Therapist Identification Card (LMT-ID Card), which shall identify the therapist as being properly licensed and shall authorize the therapist to provide off- site massage services.
- (2) All locations where one or more persons are regularly engaged in the practice of massage therapy shall register with the board as a massage establishment. Additionally, all locations where more than one person is regularly engaged in the practice of massage therapy shall pay the establishment license fee.
- (3) Obtaining a massage establishment license shall be the responsibility of the entity which controls the physical location where the services are provided, which entity may be a sole proprietor, lessee, owner, partnership, corporation, cooperative, association, or other legal entity.

B. A massage establishment shall employ or contract only licensed massage therapists to perform massage therapy.

#### **§3559. License regulations**

- A. Each licensed massage therapist who works at a massage establishment shall display his LMT-ID Card in plain view in an appropriate public manner. A licensed massage therapist who is working outside of a massage establishment shall have in his possession his LMT-ID Card and shall present it for review upon request of a client or board representative.
- B. Name or location changes to any license shall be submitted to the board within thirty days of the change with appropriate fees.
- C. The license is nontransferable and shall be for the sole use and benefit of the licensee or location issued.
- D. All licenses are the property of the board and shall be surrendered upon demand of the board.

**§3564. Regulation of advertising**

- A. A person or an entity that does not hold a license as a massage therapist, physical therapist, or chiropractor, a certificate to practice athletic training, or a license as a massage establishment shall not use the words "massage", "body work", or any derivative or variation of the word "massage", including specific bodywork or massage modalities, on any sign or other form of advertising. Any advertisement by a massage therapist or a massage establishment shall contain the license number of such therapist or establishment. Building signs with promotional material shall also include the professional or establishment number.
- B. No sexually oriented business, as defined in R.S. 37:3558(C), shall use the word "massage", "body work", or any derivative or variation of the word "massage", including specific bodywork or massage modalities, on any sign or other form of advertising.
- C. In all pictorial representations for any advertisement representing massage therapy, including such representations through video, all persons representing massage therapists shall be attired and posed in a manner as to avoid appealing to the prurient interest. Persons representing clients shall be appropriately draped and posed.

If you feel that the therapist/establishment cited is exempt from the license requirements of the statutes, notify the Board office in writing at the address listed above. The Board may also elect to pursue civil injunctive remedies, which could result in imposition of civil penalties and an award of attorney fees. Failure to comply with this notice may result in the matter being referred to the appropriate police authorities for a criminal investigation for the violation of the above statutes.
